### A WINE TOUR IN COTE DE NUITS AND COTE DE BEAUNE WITH A TASTING OF 12 GRAND CRU AND PREMIER CRU FROM BURGUNDY

Enjoy our wine tour “From Chambertin to Montrachet” to discover the two backbones of the vineyards in Burgundy: the Côte de Nuits and its great red wines and the Côte de Beaune and its incomparable white wines.

Sitting comfortably in our Wrangler Jeep, we will drive you through the vineyard tracks. As we drive through the paths overlooking the vineyards, we will talk about oenology, observe the vegetative cycle in situ and vineyard work. Then we'll talk about winemaking, maturation in oak barrels...about everything that gives the wines of Burgundy their reputation.

The morning (from 10am to 1pm) is dedicated to the Côte de Nuits where we taste 6 wines (3 1er cru wines and 3 grand cru wines) over 3 tasting stops at Corton, Vosne-Romanée, and Gevrey-Chambertin. According to your level of knowledge, we will initiate or hone your tasting techniques in order to appreciate fully the precious vineyards that surround us....

Returning to Beaune, you are free to make the most of your lunch break before setting off again to explore the Côte de Beaune (from 2.30pm to 5.30pm). You'll notice an evolution in the landscape with the vineyards spreading out more widely and an emphasis on white wines. Our trip through the Côte de Beaune will be punctuated by 3 tasting stops in Pernand Vergelesses, in Meursault, and in Chassagne Montrachet. You will taste 6 white wines chosen amongst a selection of 1er and grand cru wines.
